

RACE DAY PARKING

Information

Due to limited parking space on Isle of Palms, we do not have a designated parking area. However, these are the parking options:

- **City Parking** lots on Pavilion St: one handicap lot with proper decal, and another lot with daily parking for a nominal fee
- **Metered spaces:** offered on Ocean Blvd between 10th and 14th street
- **County Park on 14th:** offers parking for \$7 per vehicle and both entrance and exit gates close promptly at 7pm!
- **Road Right -of- Ways:** Visitors can park their vehicles on any road right-of-way unless it has been designated with a sign as "no parking". Be mindful that all four wheels must be off the road and that no beach access paths can be blocked. Do not block driveways or mailboxes, and please be respectful of landscaping.

Please do NOT park in the Red & White Grocery store parking lot & please CARPOOL with as many racers as possible!!!
